Farming at Metro's Edge: Sustaining Agriculture in Frederick and Montgomery

A conference to be held in cooperation with farmers, consumers, citizen advocates, government agencies and other interested parties to realize the future of a healthy, truly local and sustainable agricultural industry.

Friday, January 11, and Saturday, January 12, 2013

At The Universities of Shady Grove

9630 Gudelsky Drive, Rockville, MD 20850

- *What does the future hold for farming and the health of our local food system in Maryland's Montgomery and Frederick Counties?*
- *As the growth pressures increase, will Montgomery's nationally recognized Agricultural Reserve and Frederick's productive farm belt continue to exist as a working landscape?*
- *For two days in January, consumers, farmers, experts, advocates, businesses and policy makers will come together for important, lively discussion aimed at a developing an collaborative and innovative "green print" for the future of food in the D.C. region.*
- ***Don't miss your chance to make a real difference in our region's quality of life!
Be part of the solution . Register Today!***

*Keynote Speaker, Kathleen Merrigan
US Deputy Secretary of Agriculture*
